BOARD MOTION OF JULY 1, 2008, AGENDA ITEM 37-A
12361 PEARBLOSSOM HIGHWAY - MT. VIEW TRAILER PARK
IDENTIFYING PROPERTY FOR EMERGENCY RESPONDERS

On July 1, 2008, your Board requested the Department of Public Works (Public Works) investigate the appropriate means of identifying property at 12361 Pearblossom Highway for emergency responders and the public and to report back to you with our findings. This is our first follow-up report since our initial report (copy attached) on this item.

Since our initial report, the property owners submitted a signed street name petition with the proposed street name of Metter Court, which was approved by the Street Naming Committee on August 11, 2008. With that approval, Public Works has:

- Assigned house numbers on the newly named street in accordance with the Los Angeles County Unified House Numbering System.
- Notified the appropriate governmental and private agencies including the Fire Department, local post office, Automobile Club, and California Highway Patrol.

BOARD MOTION OF JULY 1, 2008, AGENDA ITEM 37-A 12361 PEARBLOSSOM HIGHWAY - MT. VIEW TRAILER PARK IDENTIFYING PROPERTY FOR EMERGENCY RESPONDERS

On July 1, 2008, your Board requested the Department of Public Works (Public Works) to investigate the appropriate means of identifying property at 12361 Pearblossom Highway for emergency responders and the public and to report back to you with our findings.

We investigated this matter and recommend naming the private dirt road leading to the trailer park thereby alleviating the fear of emergency vehicles not finding the Mt. View Trailer Park in a timely manner. Under policy set by the County Street Naming Committee, "Any private unnamed street or portion thereof can be named by Public Works subject to approval of the Street Naming Committee."

We will assist the affected property owner to submit a petition to name the dirt road as a private roadway. When the petition is approved, we will:

- Assign house numbers for all parcels on the newly named "Private Street" in accordance with the Los Angeles County Unified House Numbering System.
- Notify appropriate governmental agencies, including the Fire Department and local post office, and all occupants of their newly assigned address. All other notifications will be the responsibility of the occupants.
- Select the appropriate location and place a standard street sign identifying the new private street.
